- Write the scripts
- Narrate & edit the recordings
- Publish & distribute

Edward L Lawyer Series:

I've been contributing to an obscure comedic podcast called *The Shatcast*. I send short pieces of "legal advice" from a character I made up named Edward L Lawyer. For this portfolio I mixed them together into compilations with all of Edward's legal advice. The narrator is me. I also wrote the scripts and engineered the audio.

### **PORTFOLIO – WRITING**

#### The Manatee:

<https://themanatee.net/author/mpayne/>

I wrote several short pieces for a satirical online newspaper, The Manatee.

#### Self-Published Books:

My comedic self-published books can be found on my website:

<https://www.pattmayne.com/books/>

#### Sick Blog Of Lies:

<https://sickblogoflies.wordpress.com/>

For two years I maintained a fictional blog where I wrote bad advice from the perspectives of a variety of pseudonyms (I also had some guest contributions from a friend). I compiled my favorite pieces into a book which I self-published under the title, *The Sick Book of Lies*.

#### Other Writing Credits:

**Novel:** *Missing to Mars*, from Double Dragon Publishing, 2017

**Novel:** *Neo-Something Doom Puzzle*, from New Falcon Publications, 2017

**Non-Fiction Article:** "What Was Isaac Newton's Occult Research All About?"

published on *UltraCulture*, 2016
